Standard Services

- **Voicemail:** Your phone's answering service. Voicemail answers your calls and takes messages when you are not available.
- **Call Waiting:** Like a second line for your phone, Call Waiting lets you decide whether to switch to the new call-or send it to Voicemail.
- **Caller ID:** View the phone number of an incoming call, so you know who is calling before your answer. All unanswered calls automatically roll over to your Voicemail.
- **Caller ID Block:** Block your phone number from appearing on the phone of the person you're calling.
- **Three-Way Calling:** Talk to two people at the same time. You can initiate Three-Way Calling even if you didn't start the phone call (airtime and long-distance charges apply for both of the calls in your Three-Way Calling party).
- **Call Forwarding:** Conditional call forwarding, the forwarding of incoming calls to a number you specify for when a caller receives a busy signal or no answer, is included in your plan.
- **411:** Access Directory Assistance. Just dial 411 from your Solavei phone to get dinner reservations, movie listings, driving directions and more.

Add-On Services

- **International Long Distance** will be available as a 'Pay As You Go' add on service in \$10 increments
